

## About the tournament...

The Lions Club mission is to serve the needs of our community through a wide range of volunteer projects.

Help support the Lions' efforts to continue the many and varied programs for the youth of our community, and for the needy individuals among us who require help with purchasing their eyeglasses, hearing aides, and paying their monthly bills.

The Coon Rapids & Blaine Central Lions Clubs are local community service organizations whose members are part of the International Association of Lions Clubs, with a worldwide membership of 1.35 million members in over 45,000 clubs located in over 200 countries or geographical regions. We, the Lions, enjoy working to better the lives and well being of all people in our community through the education and research programs the Lions sponsor for sight, hearing, diabetes and drug awareness.

100% of your contribution goes back to the community. The Coon Rapids Lions Clubs have been "giving back" and "paying forward" for over 60 years - with over \$4 Million returned for the benefit of thousands of individuals and everyone in our fair cities with our community celebrations.
